Revised Visitation Policy

As of Friday, September 11, 2020

Outdoor visitation has been **PAUSED** as a staff member has been diagnosed with a confirmed case of Covid-19.

According to New York State Department of Health guidelines all outdoor/patio visits with residents will not resume until:

- 1) 15 days post the day of discovery of the illness and
- 2) following the approval of an amended New York Forward Plan is approved
by the State.

Please continue to check this website OR call Park Creek directly at (716) 632-3000 for further information.
